Product benefits

Earn 5.45% on your savings as the prime-linked rate is calculated daily and paid monthly on the account's capital balance

Earn interest immediately on any additional deposits

Immediate access to your funds at any time and the freedom to withdraw at your convenience

No minimum or maximum deposit requirements and additional deposits can be made anytime

Reinvest or pay out the interest on your earnings

Power of one

The PrimeSaver Account is designed for individuals and only one PrimeSaver account should be opened per individual. This account is intended to be a savings account, not a transactional account.
